including EIGHT in full-colour! 'The 1930 Penny of Australian philatelics...'

Like the 1930 Penny, an iconic rarity spawned by the Great Depression, the 1932 Sydney Harbour Bridge 5/- is one of the most desirable issues in Australian stamp collecting. A sensational opportunity, we have a small number of the complete 1932 Sydney Harbour Bridge Stamp Trio in stock – each featuring the highly sought after 5/-!

Among Australia's earliest philatelic commemoratives, the 5/-, 2d & 3d Sydney Harbour Bridge stamps were launched in 1932 to mark the completion of Australia's great architectural triumph. Importantly, the high denomination 1932 5/- was

issued in tiny numbers. Indeed, compared to the 2d, of which 37,030,296 were printed, the 5/- had a print-run of a mere 72,500! With so few printed, and 86 years having passed, it is no surprise that this iconic Australian stamp is tough-to-find in any grade.

An authentic keepsake of the construction of Australia's great landmark, we have the complete 1932 Sydney Harbour Bridge Stamp Trio in Fine Used. Do not miss this rare opportunity to own one of Australia's primary philatelic icons!
