Tiny number in Australia

Minted on concave surfaces to ensure the optimal flow of metal is achieved by the strike of the die, the Perth Mint's 2018 \$100 Year of the Dog High Relief 1oz Gold Proof is an exquisite example of modern minting. Defined by the exceptional depth of the design, this 99.99% gold 1oz forms a prestigious acquisition for any collector. Official Australian legal tender, each 27.30mm coin is set in a case with a Certificate confirming the mintage of 388.

The Laughing Buddha!

Created with Smartminting High Relief technology, this breathtaking 99.9% pure silver 2oz tribute to the Laughing Buddha is sure to sell out at super speed. The mintage of just 888 was instantly devastated by demand, and given the incredible gold-plated High Relief design, our meagre allocation is sure to go the same way. Spanning 38.61mm, each coin is beautifully presented within a plush case with a Certificate of Authenticity.

The tiniest of mintages...

Celebrating the 25th anniversary of the International Day of People with Disability, the RAM has struck only 10,000 examples of this coin, with 7,000 found in this PNC. These figures are extremely low, and as this coin will not be issued for circulation, a lightning fast sell-out is assured. Set on a card, housed in a postage paid envelope with a special First Day of Issue overprint, we have limited stock available.
