# TO ASSIST YOU ...

#### Are there any limits to what I can claim?

Subject to product availability, the only limit is the total number of points you have available. You may prefer to use these points on one product or on a number of different products. The choice is yours.

#### What happens to any points I don't use?

Any remaining points will be automatically carried forward, you need do nothing. Bonus Points will expire after 3 years.

#### What if I have not yet earned enough points for a reward?

If you haven't yet built up enough points, they will be carried forward and you will have the opportunity to earn more points in the future. Don't forget to visit www.downies.com/bonuspoints for more great offers.

#### When will I receive my rewards?

Please allow up to 4 weeks for delivery.

# Can I acquire a single product by using a combination of both Bonus Points and money?

No, you can either use your Bonus Points to redeem a product, or make a purchase using our variety of payment methods. You can, however, use Bonus Points for one product and then money for another on the same order.

Thank you for taking part – enjoy your rewards!
