An unparalleled union of beauty, history and rarity, the 1857-70 Sydney Mint Sovereign Type II represents one of the peaks of collecting in this country.

Springing into life due to the 1850s Gold Rush, Australia's first mint struck Type I Sydney Mint sovereigns from June 1855. The obverse motif was replaced in 1857, with the new

Type II sovereigns carrying the 'Wreath Head' portrait of Queen Victoria. The reverse of both types is proudly emblazoned with 'SYDNEY MINT', 'AUSTRALIA' and 'ONE SOVEREIGN'.

Supplanted by standard British designs from 1871, the short-lived Sydney Mint Sovereign type is more than just a coin. It is living Australian history –

physical evidence of the Gold Rush that gripped the colony in the 1850s, and inspired the march to Federation in 1901.

In Fine to Very Fine, we have the 1866, 1868 and last-issue 1870 Sydney Mint Sovereign dates available. Buy all three and **SAVE \$200!**

The first George V sovereign dates!

A crucial element of Australia's rich currency history, we are delighted to present the 1911M-13M Sovereign Trio in splendid about Uncirculated to Uncirculated condition!

A prestigious presentation, this set comprises the first three gold sovereign dates issued during the reign of George V – 1911, 1912 and 1913. Struck at the Melbourne Mint more than a century ago, as the world stood on the cusp of WWI, each 22-carat gold coin carries the 'M' mintmark on the reverse.

Highly sought after, these coins are scarce in top grade. This is in part because, in the days before WWI dealt a mortal blow to gold as a circulating medium, the sovereign was still a genuine circulation coin. With most pre-WWI sovereigns well worn as a result, we have only a few sets available in aUnc to Unc – each housed in a timber case with a Certificate of Authenticity. Don't ignore this golden opportunity!

1925 Sovereign – a fascinating tale

Offered in Choice Uncirculated quality, the 1925 Gold Sovereign has a fascinating tale to tell. Whilst it carries the date of the last sovereign struck at the Royal Mint during the reign of George V, the coins available here were actually struck from 1949 to 1951 under George VI!

Issued to meet post-WWII demand for sovereigns, and very scarce with fewer than 900,000 re-strikes issued, we have a small number of Choice Unc 1925 Sovereigns available – each set in a case with a Certificate of Authenticity.
